**KOLKATA, 4 October 2025:** Matix Fertilisers and Chemicals Limited, promoted by Nishant Kanodia, has been conferred the prestigious Mahatma Award for CSR Excellence, recognising the company's voluntary and impactful contributions to community development in and around its manufacturing hub at Panagarh, West Bengal.

Selected from over 2,100 entries nationwide, Matix emerged as the sole recipient from West Bengal this year, underscoring its sustained efforts in social upliftment driven by proactive engagement rather than compliance.

**Mumbai, India**    **October 3rd, 2025:** Nishant Kanodia promoted Matix Fertilisers and Chemicals Limited, one of India's fastest-growing crop nutrition companies, is the proud recipient of the prestigious Mahatma Award for CSR Excellence. The award is a national recognition of the company's deep and voluntary commitment to community development through its impactful, multi-faceted CSR initiatives in and around its manufacturing facility in Panagarh, West Bengal.

The Mahatma Award is one of India's most coveted honours in the corporate social responsibility sector. Matix was selected from a field of over 2,100 entries after a rigorous evaluation, emerging as the sole recipient from the state of West Bengal this year. The recognition highlights the company's outstanding and sustained contributions to social upliftment, which are driven by a philosophy of proactive community engagement rather than mere compliance.
